The Chief Court now represent® that in spite of the large number of disposals by both the Munsiffs, the state of the pending file of the two Courts does not admit of the discontinuance of the second Court on the expiry of the term for which it was sanctioned. S i r ,

Adverting to Proceedings of Government No: J.3023-6/ B Cts. 158-14-2 dated the 6th March 1915, sanctioning the formation of a Second Munsiff's court at Tumkur for a period of one year with effect from the 24th May 1915 to cope with the heavy work in the Munsiff's court at that station, I am directed to forward herewith a copy of the Bangalore District Judge's letter No: 3386/447 dated the 25th February 1916 with its enclosures. From the statement of work turned out by both the Munsiffs it will be seen that in spite of the large number of disposals, the state of the pending file of both the courts does not admit of the discontinuance of the additional court on the expiry of the term (24th May 1916) for which it was sanctioned. The number of institutions also has been on the increase as will be seen from the copy

(herewith

(herewith forwarded) of the statement received from the District Judge in support of his recommendation for strengthening the establishment of the 1st Munsiff's court to get through the additional clerical work thrown on the office owing to the working of the two courts.

2/ The Judges are disposed to agree with the District Judge that for the reason assigned by him the 2nd court at Tumkur will probably have to be made permanent, but for the present they propose its continuance temporarily for a further period of two years. They are also convinced of the necessity for strengthening the clerical establishment by the addition of one Munshi on Rs 25/- and two Gumastahs on Rs 20/- each temporarily so long as the 2nd court continues to work.

3/ I am therefore to request that the Government may be pleased to accord early sanction for the continuance of the 2nd court and for the additional establishment for which a proposition statement has been sent through the Comptroller.

Adverting to Government Proceedings No: J.3023-6/Cts. 158-14-2 dated 6th March 1915, communicated with your No: 4244/373 dated 17th March 1915, ordering the establishment of the 2nd Munsiff's court at Tumkur temporarily for one year from 24th May 1915, I have the honor to forward herewith copy of letter No: 578 dated 4th January 1916 from the 1st Munsiff of Tumkur reporting on the present working of the two courts and about the necessity for the continuance of the 2nd court there.

2. During the past about 7 months that the 2nd court has been working, an appreciably large No: of original suits - contested and uncontested - have been disposed of, as will be seen from the accompanying statement.

3. It will also be seen therefrom that the establishment of a 2nd court should have assured the litigant public of the speedy disposal of cases and therefore it has encouraged them to file more suits.

4. Though the work at present justifies the 2nd Munsiff's

court

court at Tumkur being made permanent, I think it better to try it for sometime more before recommending for its permanency. I beg therefore to recommend for the continuance of the temporary court for another two years before making it permanent.

5. Regard being had to the large quantity of extra work involved on both the clerical and process staff of the 1st court, I beg to recommend the entertainment of the 3 hands for office and the 6 hands for the Process staff temporarily in the 1st court as per proposition statement submitted herewith.

6. Though the revised scale of pay has been given to the permanent establishments of all the Civil Courts, the temporary establishment of the 2nd court is made to get only the old scale of pay. This seems hard. I would therefore recommend that the pay of the temporary staff also may kindly be raised as in the new scale, as per proposition statement herewith submitted.

7. As no funds are available at the disposal of this Court to meet these extra charges, no reappropriation statement is submitted. I request the Chief Court will kindly provide necessary funds or recommend for special funds being sanctioned there for.

Letter No: 578 dated the 4th January 1916 from the 1st Munsiff of Tumkur to the District Judge of Bangalore.

I have the honor to state that the institutions in the Tumkur court have been on the increase all along. In fact, the institutions each month are nearly double the number, if not more than what they are in any other court in the Division.

As the result of the location of a 2nd court here, since 24th May 1915, nearly double the number of contested suits that were being disposed of by the permanent court formerly have been disposed of as can be seen from the monthly statements, and the statements of contested and uncontested cases disposed of. Further the pending file has been reduced to some extent in addition to the progress made in recording evidence in a good number of pending contested suits.

Apart from this, the increase in institutions, evidently due to court at Tumkur exercising jurisdiction over a very large area, does necessitate in my humble opinion the 2nd court being made permanent with complete staff. The continuance of the court for one or two years beyond 25th May 1916 will

will no doubt, contribute towards considerable reduction of pending file. But there is the possibility of the increase of the pending file, soon after the 2nd court is abolished, which one court will find it difficult to cope with.

The income from institution fee and stamps also justifies the 2nd court being made permanent, as the increase in litigation demands it.

The pay of the Bench Clerk of the 2nd court has at least to be increased to Rs 25/- and that of the menials of that court brought in conformity with the present scale obtaining in all other courts, lest it invites none to apply for the post of menials and stick on in these hard days of struggle for existence
